(3) **Funding Request Numbers Appealed**

FRNs --1049546, 944875, 945004, 9045030, 945044, 945054

(4) **SLD's Reason for Funding Denial**

The SLD granted funding but:

“The shared discount was corrected.”

(5) **The shared discount was accurate as stated on the Applicant's FCC Form**

471 Application

- a) Based on the attached 471 Applications (Exhibits A and B), the SLD
committed reversal error when it modified the “shared discount” percents.

The District calculated its discount in accordance with the FCC's 471 Instructions, and, more specifically, the SLD's "Alternative Discount Mechanisms Fact Sheet", Number 7 (Projections Based on Surveys). See,

<http://www.sl.universalservice.org/ContentInc/reference/alt.asp> Projections Based on Surveys states:

7. Projections based on surveys

If a school has sent a questionnaire to all of its families, and if it receives a return rate of at least 50 percent of those questionnaires, it may use that data to project the percentage of eligibility for E-rate purposes for all students in the school. For example, a school with 100 students sent a questionnaire to the 100 homes of those students, and 75 of those families returned the questionnaire. The school finds that the incomes of 25 of those 75 families are at or below the IEG for NSLP. Consequently, 33 percent of the students from those families are eligible for E-rate purposes. The school may then project from that sample to conclude that 33 percent of the total enrollment, or 33 of the 100 students in the school, are eligible for E-rate purposes. *Id.*

- b) Complete documentation was provided to the SLD. (Exhibit C). The SLD requested supporting documentation and Applicant's Exhibit C substantiates the District's discount
- c) **The shared discount percentages should not have been modified by the SLD.**

Conclusion:

The District is Requesting the Following Action by the FCC:

- (a) Within 90 days or less Order funding for all FRNs set forth herein .**
- (b) Set aside funds to totally fund the District's request.**

Respectfully submitted,

INFORMATION ON DISCLOSURE OF SOCIAL SECURITY NUMBERS: Section 9 of the National School Lunch Act requires that, unless your child's food stamp or TANF case number is provided, you must include the social security number of the adult household member signing the application or indicate that household member does not have a social security number. Provision of a social security number is not mandatory, but if a social security number is not provided or an indication is not made that the adult household member signing the application does not have one, the application cannot be approved. The social security number may be used to identify the household member in carrying out efforts to verify the correctness of information stated on the application. These verification efforts may be carried out through program reviews, audits, investigations, and may include contacting employers to determine income, contacting a food stamp or welfare office to determine current certification for receipt of food stamps or TANF benefits, contacting the State employment security office to determine the amount of benefits received and checking the documentation produced by the household members to prove the amount of income received. These efforts may result in a loss of reduction of benefits, administrative claims, or legal action if incorrect information is reported. The social security number may also be disclosed to programs as authorized under the National School Lunch Act and the Child Nutrition Act, the Comptroller General of the United States, and law enforcement officials for the purpose of investigating violations of certain Federal, State and local education, health and nutrition programs, and Medicaid and Hoosier Healthwise for the purpose of identifying and seeking to enroll eligible children in one of these health insurance programs.

We need this information to be sure that everyone receives benefits on a fair basis. No child will be discriminated against because of race, color, sex, national origin, age, or disability.
